MINEFILL 2026

15th International Symposium on Mining With Backfill

We are pleased to invite you to the upcoming Minefill 2026 Symposium, which will be held in Beijing, China. This prestigious event will bring together leading professionals and experts from the global mining industry to exchange knowledge, explore innovative solutions, and shape the future of mine backfill and its role in mine waste management.

May 17-20, 2026 | Yulong International Hotel

中国有色金属学会
The Nonferrous Metals Society of China

矿冶科技集团有限公司
BGRIMM TECHNOLOGY GROUP

Minefill 2026's EXPO is the premier event for discovering groundbreaking technologies, forward-thinking solutions, and essential services in the MineFill industry. Engage with experts, industry leaders, and decision-makers. Experience the latest products, cultivate partnerships, and ignite new possibilities.It serves as a valuable opportunity for researchers, engineers, industry leaders, and policymakers to connect, share insights, and contribute to the sustainable development of mining operations worldwide.

We invite you to join us in supporting this significant international event. Collaborating with visionary organizations can help drive meaningful discussions and highlight groundbreaking innovations that will propel our industry into the future.

This Sponsorship Prospectus includes available sponsorship opportunities, and we would be more than happy to discuss the option of your choice or a more personalized option with you.
